Dear Mr.Huang:

Congratulations upon the closure of any QMS and Technical corrective actions related to BP's audit of your facility located in Jiangyin, Jiangsu, China. In alignment with BP's Supplier Qualification Process, BP has officially listed "Jiangyin Nanfang Pipe fitting Making Co., Ltd " as Qualified for the scope and facility as outlined in Supplier Assessment Report.

Qualification scope:

Product Type: BW, SW and threaded fittings (Elbows, tees, crosses, reducers, bends, caps and lap joint stub ends) for low up to high pressure ratings. This scope does not include flanges.

Material Grades for fittings: Carbon steel, alloy steel and stainless steel products.

Standards: ASME B16.9, B16.11, B16.49.

DN15-DN2200, DN15-DN600, DN15-DN1200 and DN6-DN100.

Please keep BP updated on any changes within your quality processes and/or programs.

BP thanks you for your cooperation and commitment to deliver exceptional quality.

Thanks & Best Regards!

Michael Yin
